

at least four Months in a Year that the Surveyors cannot work we agreed  
men we were together the 9<sup>th</sup> of Decem<sup>r</sup> to represent the same to our respective Con-  
stituents which I have accordingly done in my Letter to His Ldp desiring the Time  
may be prolonged at least one Year. The Farmer of Worcester County  
(a great part of which falls into Sussex) having applied himself to Col: Lloyd when  
we were fixing & determining the Middle Point & desired to know whether he was  
to demand any more Quit Rents from the People whose Lands lye on the North Side  
of the Line that was run in the Year 1761 from Fenwick's Island. I thought it was in-  
cumbent on Us before we gave the Farmer any Instructions about that matter to take  
the opinion of some Lawyer thereon & therefore as neither Mr Dulany, nor Mr Bordley  
were with Us the former having declined going because as he alleged he was not well  
enough, & the latter having left Us at Newcastle, I stated several Queries & sent them  
together with the Articles of Agreement to Mr Ch: Goldsborough who lives in Dor-  
chester County & receiving his Answers thereto the second Day afterwards I delivered  
a Copy of them to Col: Lloyd & as soon as Mr Bordley who has now the Articles &  
Queries under Consideration shall give me his Opinion thereon I will transmit that  
likewise to the Colonel & Mr Dulany's also when he shall have given one, that  
the Substance of their several Opinions might be communicated to the Farmers &  
Sheriffs. As almost one of the two Parishes into which Worcester County is di-  
vided will fall into Sussex, I hope His Ldp will approve of my inducting Mr  
Dingle the Rector of it into some other Parish that may be vacant. Being  
informed that Mr Mcnamara of this City who hath been many Years Clerk  
of the Lower House of Assembly & Register of the Commissary's Office embarked  
about a week ago for Great Britain & it having been intimated to me that there is great  
reason to conclude from what he said one Night over a Bottle that he will introduce  
himself to Mr Pitt or to Mr Fox, (one or both of whom according to his own Account  
have had a Friendship for him ever since they were educated together) & endeavour  
to represent the late Conduct of our Assembly in a fair Light & the Proceedings  
of the other Branches of the Legislature in an unfavourable one, I thought it my  
Duty to hint as much to You & moreover to inform You that he is a Person of
