

Copy of 102 Letters to Mr Calvert Dated Annapolis the 3rd Augth
transmitted by Capt Waters Duplicate by Capt
Cris

Having received no Letter from You of a later Date than the
10th of January which Letter You were pleased to commit to the Care
of Mr Maynard & having since my Receipt of that Letter & the others
which were therewith transmitted addressed several to His L^{dy} besides
seven to Yourself dated the 19th & 30th of April, the 5th, 6th & 10th of May, the 22nd &
30th of June I have very little to trouble You with at present, nevertheless I
could not let a Vessel sail hence without writing to You. As I had been
informed that the Vessels by which I transmitted the Letters I wrote to

very short passage I was in hopes that I should by Mr Plater or by some
Vessel of the Fleet have been favoured with a Line from You but as it is
now almost two Months since the Ships arrived & no Letter has been
presented to me I conclude that None was sent; however as I should
be very glad to receive Answers to those Letters I entertain hopes that
it will not be long before I have that Satisfaction. In my Letter
dated the 22nd of Dec^r last I advised You of some Difficulties which
the Sheriff of Worcester County was under about collecting the Land
Tax & other Taxes from such People as have been hitherto deemed to
be in that County notwithstanding their Plantations lay on the North
Side of the Line which was run from Fenwick's Island & at the same time
I sent You a Copy of Mr Goldborough's Opinion & Answers to several
Queries relative to such Difficulties which had been submitted to his Con-
sideration, Since that time I have likewise inclosed You Mr Bondley's An-
swers to the same & three other Queries & intimated to You that the Articles
were lying before Mr Dulany for his Opinion also as I was willing to
have the best Advice I could on a Matter of such Consequence. Having kept
