

kept the Parchments & Queries many Weeks without favouring me with an  
 Answer to the Letter I had therewith sent him he was pleased just before  
 he embarked to return them to me together with a Paper which that you may  
 be the better able to judge of his manner & of his Desire to give me Satisfaction  
 I now inclose you together with the Queries, not knowing really whether he  
 intended the contents of it as a full Answer to the Queries or for what purpose  
 he sent it to me. Having since he embarked for England received such Infor-  
 mation as leaves me no room to doubt but he is determined in case a Clerkship  
 should become vacant to appoint his Brother in Law M<sup>r</sup> Hedges of Cecil County  
 to such Office I think it my Duty to intimate as much to You that if  
 You should be averse to such a proceeding You may take proper Mea-

 the Agent for the Quit Rents he has not yet accounted for some of the sum  
 that he collected which has laid me under the Necessity of Ordering the Attor-

 Account for the publick Money he has received, & in short his Behaviour on  
 this & other Matters has been so shameful & scandalous that I am confident  
 his being appointed to another Office would bring Reproach on the Administra-  
 tion & was he not so nearly related to M<sup>r</sup> Dulany, the latter must have rather  
 thought him a fit Object of Contempt of the Government's President than  
 of Conferring on him another lucrative Office. As I doubt not but  
 M<sup>r</sup> Dulany conceives himself vested with a Right to bestow the Clerk
