

The Trial about My Lady's Mannour claimed by Borerwood is put off till May, the  
Attorney General having by a very severe sickness been rendered unable to bring it on at  
the last Court or to argue a Cause of such Importance, having taken Notice of All  
the Material Parts of Your Letter that seemed to require an immediate Answer I shall  
at this time only add that with sincere Regard & Esteem I am &c

To Lord Baltimore Annapolis. 28 Nov<sup>r</sup>. 1767

My Lord In the Letter I had the honour to address to Your L<sup>ty</sup> the 29<sup>th</sup> of last Month  
I remitted Firsts of Thirty two Setts of Exchange amounting to the Sum of £1363.10.5<sup>1/2</sup> each  
of which were also remitted the second Inst by another Ship. I then informed Your L<sup>ty</sup>  
that we were about to set off for Frederick County in order to sell Conegocheague Mannour  
but on our Arrival there we could sell no more of it than 87<sup>1/2</sup> Acres which was struck off  
at £206.6.6 & we were obliged to give the Purchaser some Indulgence for the first payment  
so that no Part thereof hath been yet received. There hath however since our Return from  
Frederick been paid by Persons who purchased Part of Anne Arundel Mannour the Sum  
of £205.11.6<sup>1/4</sup> for which I embrace this opportunity to remit Your L<sup>ty</sup> Bills of Excha  
as mentioned in the inclosed List, after we have attended at Baltimore the 2<sup>d</sup> of  
next Month in order to put up again the Mannour on Gunpowder We are to go  
down to St Marys & Charles Counties to sell if we can the Mannours in that Part of  
the Province but I am very apprehensive sufficient Purchasers will not offer & the  
Tenants are said to be in general very poor & unable to bid. I beg Leave once more to  
assure Your L<sup>ty</sup> that with the utmost Respect I am Y<sup>r</sup> L<sup>ty</sup>'s no doubted humble Serv<sup>t</sup>.

Copy of Letter to Mr Stamerley. Dated Annapolis 25 Novem<sup>r</sup>. 1767 transmitted  
by the Ship Lord Ligonier Capt Davies.

Since I addressed a Letter to You the 3<sup>d</sup> Inst I have been favoured with Yours  
of the 14<sup>th</sup> of August inclosing a Copy of the Memorial which it seems Mr Stewart  
had presented to the Lords of the Treasury concerning the Quarantine Acts that were  
lately pass<sup>d</sup> in Virginia & this Province. Presuming You have long before this time  
received the Letters I wrote to You the 27<sup>th</sup> of July & 4<sup>th</sup> of Sept<sup>r</sup> as well as my Remarks  
on our Law I apprehend it is needless to trouble You again on the Subject especi  
ally as You give Me reasons to believe that before this time the Fate of those Acts  
hath been determined. The Part You have acted on the Occasion entitles You to
