

curious with a fine View of Constantinople, some Views & Portraits taken at  
several of the Islands you touched at in your Voyage, his Account of them was  
such as excited a Desire in Me to see them, I am much obliged to Your Ldp for  
your promise to gratify it. The several Parchments & Papers which have been trans-  
mitted, in order for the Sale of the Mannours yet will remain secure in the  
Revenue Office together with all others relative thereto while the Commission &  
Instructions are also recorded in the Council Book. As no Objections or Difficulties  
have been started since we proceeded in the Sale of Ann Brundell Mannour (of  
which only 1580 Acres now remain unsold) I have nothing to say in Answer to  
what Your Ldp writes on that subject but that I am sorry it was not in our  
Power to sell more of the Lands than we have for I am afraid our Remittances  
will fall vastly short of what Your Ldp expected to receive from the Mannours  
& the time you honoured Us with a Commission to sell them. As Your Ldp  
will by a joint Letter or Report from M<sup>r</sup> Dulany & M<sup>r</sup> Jordan & Myself be informed  
what We have done in pursuance of Your Ldp's Commission empowering Us to  
audit & settle Your late Agents Accounts I shall not trouble Your Ldp with any  
thing on that subject. M<sup>r</sup> Jordan who is already gone hence to Virginia in  
order to embark there for England will also present to Your Ldp a short Account  
our Proceedings in pursuance of Your Ldp's Commission empowering Us to sell your  
Mannour or reserved Lands but last an Accident should happen to that Gentleman  
shall herewith transmit a short Sketch made out after the Military rather than  
the Mercantile Method, which will shew Your Ldp at one View how many Acres  
we have sold, how much the expences occasioned by making exact & particular Sur-  
veys (Plots of the several Mannours & other Disbursements amount to, how much of  
the Purchase Money has been already received, how much remains due to be received  
hereafter, the Amount of the Bills of Exchange which I have from time to time  
transmitted to your Ldp on that Account. On the Receipt of Your Ldp's Commission dated  
the 24 of Nov last empowering M<sup>r</sup> Dulany & Me to continue the Sale of the Mannours  
six Months longer we have notified the same to the publick by an Advertisement  
in the Maryland Gazette & shall during the ensuing Provincial Court to be held  
on the 17 of May attend at the Revenue Office in order to sell such of Your Ldp's  
Mannours as People may be then willing to bid for. On a Supposition that Offers  
may be made Your Ldp in England for Mannour Lands M<sup>r</sup> Jordan will take
