

Your Ldp will be pleased to observe that this large Survey extends from Potowmack so far Northward as the Line lately run between this Province & Pennsylania, & so far Westward as to include part of the Allegany & Mountains now by His Majestys Proclamation bearing Date the 7<sup>th</sup> of Oct 1763 no Grant is to be made for Lands lying Westward of that Mountain so that altho there is a good deal of Land fit for Culture lying within the limits of this Province & beyond that Mountain I have restrained the Surveyors from executing any Warrant there till Your Ldp shall signify Your further pleasure. As soon as Your Ldp's pleasure relative to Mr. Allen's being appointed to the Office of keeper of the Western Shore Rent Roll or to any other Office that might become vacant in consequence of Col<sup>r</sup> Loyds Resignation or otherwise was signified to me by Mr<sup>r</sup> Hamersley's Letter of the 10 of Nov<sup>r</sup> I communicated the same to Mr<sup>r</sup> Allen who told me he had himself a copy of Mr<sup>r</sup> Hamersley's Letter to me, as it was apparent from that as well as from a Letter he had had the honour to receive from Your Ldp that Your Ldp intended he should be appointed to the best place in the province he preferred that of Agent whereupon I wrote to Col<sup>r</sup> Loyd that Mr<sup>r</sup> Allen would succeed him as Agent on the 25<sup>th</sup> a Commission was accordingly made out to him bearing Date of that Day. As Mr<sup>r</sup> Allen seemed to be under some difficulty about getting a responsible Person to become Surety here on his behalf I apprehended Your Ldp would be satisfied with his own personal Bond which I therefore took in the penalty of £5000 ft<sup>r</sup> of which I transmit Your Ldp a copy together with a copy of his Commission, but he told me Security should be given in England on his behalf to any amount Your Ldp should require. Mr<sup>r</sup> Hamersley having in the same Letter intimated to me that Your Ldp did not desire to be involved in any Dispute about Pluralities I have upon Mr<sup>r</sup> Allen's choosing to continue Rector of St James's Parish inducted into this the Rev<sup>r</sup> Mr<sup>r</sup> Colmonson in pursuance of Your Ldp's pleasure signified to me by the Letter Your Ldp was pleased to favour me with the 15<sup>th</sup> of April last. In the List of the Parishes Clergy I last Year transmitted for Your Ldp's Information there were some Clergymen mentioned as officiating Curates in Vacant Parishes until Your
