

Our friends & Company shoud come to us here before the Militia  
get to Marlboro' Tavern. We wish all expedition to be used as, eventually,  
it may be necessary to form a larger Body of Militia, or what is indeed  
to be wished our Affairs may be in such a Situation as to allow us to  
dismiss them on their Way.

In Council Annapolis 3<sup>d</sup> Octo 1777.

Sir. It is quite uncertain whether it may not be necessary to keep up a  
Body of our Militia at Camp, and the Time of those who are now there,  
being nearly expired, we request you will immediately order the first &  
175. second Classes of the Militia in your County to march, they will do  
well to take each of them a Blankett, we have none with which we  
can supply them and, such as can, a gun. The Arms, Tents, Camp Kettles  
and Accoutrements, in the use of those now at Camp, will be put into  
Hands of those who are to supply their Places, but, probably, as is  
too common, some of the Arms may be carried away and others abused  
so as not to be immediately serviceable. Through Baltimore Town  
will be the best Rout, and we shall be glad that an Officer from  
each Company shoud come to us here by the Time the Militia  
get to Marlboro'. We wish all expedition to be used as, eventually  
it may be necessary to form a large Body of Militia, or, what is  
indeed to be wished, our Affairs may be in such a Situation as to  
allow us to dismiss them on their Way.

In Council Annapolis 3<sup>d</sup> Octo 1777.

+ Sir. By a Letter of Yesterday Evening from Genl. Buchanan, we  
are advised that a Number of People are collected in Baltimore  
176. in Arms, to oppose the Distresses made under the Militia Law  
and are apprehensive that he may need Assistance from your County  
to reduce them to a due Obedience to the Laws. If he applies for  
your Aid, you are to furnish it, and of such as you can best rely on.  
It is a distressing circumstance to be obliged to exert Force against  
our own Countrymen, but suffering a lawless armed Force to prevail  
over the Laws, would certainly and soon enslave us all.
