Sir Circular.

We wrote you heretofore, desiring you to advance and keep in Advance
the Recruiting Officers in your County, under the late Act, forty Dollars
104. for each of three Recruits. We now desire that they may be kept in
Advance for three Recruits the full Bounty, that is, keep each of them
in Hand one hundred and eighty Dollars in the Whole, and if any of our
Regular Officers shalld raise Recruits and have them passed agreeable
to the former or the inclosed Act, upon their Receipt on the Certificate
we would have you pay them the Sixty Dollars Bounty. We hope
you have qualified yourself to receive the Apeyment Tax and that
you have already received fully sufficient for this Purpose, if you
have not, pray exert yourself, that the Recruiting Service, which it is
the Duty of every Man to forward, may not suffer for Want of Money.

We are &c.

American Army, one of which is designed for each of the Field Officers

Magistrates and those who are more immediately concerned in the Execution
of the Law. We very much wish a proper spirit may diffuse itself through
out the State; so that the Number of Recruits we want may be made up
by voluntary Inlistments and in order that there may be a Supply of
the Bounty Money, the inclosed Letter to the Sheriff of your County contain-
ing Orders to him to pay the Sixty Dollars Bounty on your Certificate
or the Certificate of a Field Officer, for every Recruit you or he may
pass, agreeable to the Act. All Recruits and Substitutes with your
County, we request may be delivered, as soon as may be, to any of the
