

In Council 18th May 1778.

Mr. William Middleton.

211. You are to proceed in Mr. Eastman's Sloop to Mr. Magruder's Fishery on Broad Creek Potomack River. If Capt. Thomas Richardson should there give you Orders with Respect to loading the Sloop, you will follow them. If no Orders are left at Magruder's for you, we expect Mr. Magruder will deliver you, according to our Letter to him, a load of barrelled Fish, which you will take in and proceed with to Charles Town with all Expedition and deliver to Mr. Patrick Hamilton, taking his Receipt. —

212. We are very desirous of having up our Part of the Sineus imported in the Brigantine sively, by Captains Walker and Gordon. We have wrote to Mr. Charles Howard of this Place, who we believe is in your Parts or if not, to Col^o. Stewart of Somerset, to divide the Goods and receive ours from you agreeable to the Invoice, Letter and Order of Mr. Morris & Mess^{rs}. J. M. Nesbitt & Co. which we have sent down. We understand that the Invoice is of the Goods only which belong to Mess^{rs}. Nesbitt & Co. and that Mr. Morris has about a like Quantity of the same Kind of Goods, and that we are to have one fourth of the Whole. The Sineus of the same Species differing in many Instances in Price and we suppose in Quality, we request that great Attention may be had to distinguish as far as can be in the Invoice of those we receive which Pieces they are. — We are &c.

213. This by the Molly Capt. Deshon. Capt. Lonway's declining to go again in this Vessel and her Distance from us, put us under Difficulties and has occasioned great Delay. Vanbibber undertook to get us a Capt., we left it with him, as his Anxiety to get something into your Hands, we knew, would prompt his Exertions; we inclose you a Copy of his Letter, which shews his good Opinion of Deshon and the Contract he made with him. The Genl. Smallwood, we expect, will sail with Tobacco & Flower about the same Time as the Molly. The Difficulty and great Expence of procuring Laggoes
