Annapolis In Council Sept. 10th 1770.

308. Sir: Col. Wadsworth, Comm^r Genl. of Purchases, writes to us that "two Vessels
(Bermudians) lately failed from Baltimore, whose cargoes have been mostly
Flour, Bread & Corn, and it is believed much Flour has been smuggled out
"notwithstanding the Embargo". We esteem this a matter of so much Con-
sequence that we have directed Capt. Mathews to proceed up the Bay in one
of our State Boats and to bring those Bermudian Vessels into this Harbour
if they have left your Port, for further Enquiry, if not, that he may write
on you with this, that proper Steps may be taken, if there are any
just Grounds for this Information.
