

50. 20th May 1779.

Mr. & Mrs. you yesterday, Mr. Martin took the Letter up this Morning  
which we received yours of Yesterday: We had some expectation that an  
Order was made to make certain & Bayonet Belts of plaited Hemp, but  
we have not time now to consult the most signal Methods: we request  
you'll give Orders to have the Bayonet Belts made on the best Terms you  
can. We hear a Boat has gone up from Hampton, she was spoke by Capt.  
Rogers but he could not hear distinctly; we suppose she carries you later  
Intelligence than we have received. By Major Smith's Return 6th March  
he had at the Port 18 spare Muskets & 13 spare Bayonets, a small  
Number, but worth looking out.

And W. Buchanan Esq;  
of Batt. County -

In Council Annapolis 20th May 1779.

Sir. In yours of the 17th you mention that full Provisions may be had in Balt<sup>r</sup>.  
for the Conqueror, on returning it or paying for it. We imagine that what  
was sent down in the Boat and returned would serve for some Time, it had  
best be so applied and if more is wanted that it had best be furnished out  
of that sent up in the Smallwood. The Officers you mention in yours of  
yesterday are very agreeable to us. The Independence wants a good  
Deal done to her to fit her for a cruise; the Men we have are, at  
present, divided between her and the Chester; they, in concert with our  
Fort might be useful against Vessels, the same End would be answered  
to you by the Baltimore & Johnson, they are gunned, we have them ready  
to send up to Indian Landing with Park and Game other Articles, but  
if you can get a Force to use them as Batteries, Baltimore Town may  
have them for that Purpose, If Men can be engaged to carry up the  
Balt<sup>r</sup>. & Johnson and act in them in case it should become necessary,  
we will on this Occasion draw their Pay for the little Time they can  
be wanted, out of the Treasury & risk the Assembly's Approbation of  
our conduct. The Stores proposed by Capt. Nicholson appear reasonable  
to us, we wish you to lay in exactly the same for the Chester,  
except Meat which we can furnish here.

We are &c.

100. Sir. From late Information, it is highly probable that the Enemy design to  
attack Baltimore Town, you are therefore hereby empowered & required to  
march immediately to that Place as many of the Militia of your County  
as you can arm, under proper Officers, to join the Militia assembling there  
to act with them under Genl. Buchanan. You will exert yourself to  
get the Militia down as quick as possible, no Time ought to be lost, to
