In Council Annapolis 29th Oct^r 1779

Sir.
We enclose you the Licences desired - The Accounts we have of the
Expenses from every Part agree pretty much with the State of it in yours.
Your Honour wrote to Col. Blaine on the Subject of Col. Henricks's Law,
we hope will give you precise Orders with Respect to it; for our Parts
we cannot bring ourselves to advise Contracts for Prices to depend on
Contingencies; the Power of the Assembly only is adequate to the
Occasion, and much depends on their exerting it - We are &c.
Conrad Theodor Wederstrandt Esq^r.

to the Public and were left there by Men who were in the Marine Service of the
State; we shall be obliged to you to take any such Arms into your Possession
and send them over to the State Armourer, by some convenient Opportunity.
The Hon^{ble} Nicholas Thomas Esq^r T. J.
