

In Council Annapolis 2^d March 1780

99. Sir We received yours of the 3^d and 21st Ult. As you have already engaged
to transport the Wheat you have seized, as soon as the Navigation is open
we think it will contribute most to the Public Service, to have it delivered
to Mr Henry Hollingsworth at the Head of Elk. We are of Opinion, the
Wheat purchased by the French Agents is subject to Seizure, under the
Law, but would not have it remain, until you receive further Directions
from us. We have sent you a few Certificates by Mr Wederstrandt.

103. Gentlemen Several Applications have been made to us by the Soldiers belonging
to this State, for Cloathing, which they allege is due to them, and, to support
their Claim, have produced Certificates from the Paymasters. We wish to be
informed whether they are entitled to Cloathing, or Money, in Lieu thereof,
and whether, if they are entitled to Cloathing, we shall be justified in issuing
it to them, agreeable to the Certificates produced.
Honble Board of War.
