

Infaneil Annapolis 29th June 1700

200. Sir. As we may have an immediate Call for all the Arms, Accoutrements, Ammunition &c. belonging to this State, we request you to furnish, without Delay with an Account of the Number you have in your Possession and the Order they are in; if any are out of Repair or want, we wish you to have them put immediately in the best Condition for the Field; to this we hope you will be particularly attentive
 We are &c.
 Capt. Geo. D. Neeparts.

Infaneil Annapolis 29th June 1700

201. Gent^l. We were surpris'd to hear by Col. Stull that you did not think yourself directed by the Law for an immediate Supply of Flour &c. for the Army, to have the Wheat procured by you, manufactured into Flour. We expect this will be done without Delay, and that after delivering to Col. Dawkins what he may have Occasion for, of any of the Articles, to supply the Guard over the Prisoners, the Remainder should be sent forward and delivered to Mr. Thomas Darnellan in Baltimore Town
 We are &c.
 Commrs for Washington County.

Infaneil Annapolis 29th June 1700

202. Circular
 Sir. We request you to furnish us, by the first Opportunity, with an Account of all the Arms, Accoutrements and Ammunition in your Possession, or in the Care of any other Person in your County, belonging to the State. If any of them want repairing or cleaning, we wish you to have it done immediately, and we will pay the Charge thereof; to this we hope you will be particularly attentive.
 We are &c.
 The Lieutenants of the several Counties -

Infaneil 30th June 1700

203. Sir. Mr. Earle having informed us that the French Wheat seized by you, is in a perishable State, we request you to deliver to the French Agent, what may remain in your Stands, taking his Receipt for the Quantity. If this cannot be done, it will be proper to send it to James Mill immediately to be ground up into Flour that will pass Inspection for the Use of the Army French.
 We are &c.
 Mr. Charles Blake.

Infaneil Annapolis 5th July 1700

Sir. Mr. Poe informs us that about 100 Barrels of Powder &c. may be had; we request you to apply to him to know the Persons who are to buy (for Sale), and purchase them on the same Terms which you have, as to Price and Condition of Payment; you will have them inspected before you receive them and, if merchantable, you will have them reported to Col. Hollingsworth at the Head of the Army. You will deliver to
