are apprehensive you will be under the ~~great~~ Difficulties in agreeing
with him: in order to enable you to do this, if possible, or at least to
carry on your other Purchases we have wrote to Col: Henzly, to which
we refer you.

431. Sir. When we sent you Tobacco, we thought it reasonable to expect you
would readily get it off your Hands, at the Price limited, as every Person
will have to pay Tobacco to the Public within this Month or afterward
Money at the Rate of 90 £ 4th. If you cannot make it answer agree-
able to our former Instructions, please to send it to us. We have
no Return made by Mr. Wheeler, of the Teams procured by him
nor indeed any specie in the Treasury, therefore cannot pay Mr.
Wheeler's Order. We send by Mr. Smith £150 of the new Bills
amounting to six thousand Pounds at 40 for 1. which we hope
you will be able to pass at that Rate, and on Notice that you
have Occasion for a further Sum, we will forward it to you.
