

In Council Annapolis 9th Nov^r 1780

We have directed the commanding Officers of the Militia in Calvert County to call into Service a Part of the Militia, and request you to provide them with the Provision necessary. The Flour at Col. Fitzhugh's Mill, should be used first, if it can conveniently be conveyed to the necessary Parts. We are &c.

In Council Annapolis 9th Nov^r 1780

529 Sir We have judged it proper to order one Hundred Militia of Baltimore County to be embodied and request you to supply Mr. Donnellan with Provision for them. We are &c.
James Calhoun Esq.

In Council Annapolis 9th Nov^r 1780

530 Sir We have wrote to Mr. Calhoun to supply you with Provision for the Militia, ordered to be embodied in Baltimore County and request you to have it delivered to them. We are &c.
Mr. Thomas Donnellan.

In Council Annapolis 9th Nov^r 1780

531 Sir We enclose you an Order to embody immediately, one Hundred of the Militia of your County and have them stationed in Baltimore Town under proper Officers. The Enemy being up the Bay, tho' not in considerable Force, renders this Order absolutely necessary for the Safety of the Public as well as private Property, in and about Baltimore. Mr. Donnellan has Directions to furnish the necessary Provision, and Mr. Theports will supply them with Ammunition and Arms, if they should not have them of their own. We request you will have the Men collected and equipped with all possible Expedition. We are &c.

1 Field Officer, Capt. 2 Lieut. 2 Engrs 1 Sergt.
100 Rank & file.

Mr. Buchanan Esq.

In Council Annapolis 9th Nov^r 1780

532 Sir We think it necessary that all the Cannon in the Port & Balt. Town, except those which may be necessary for immediate Defence, should be removed to some Place of Security in the Country, together with the Arms, Ammunition, Accoutrements and public stores which may not be wanting to equip the Militia in Balt. Town. We request you will have them removed 10 or 12 Miles from Baltimore Town and lodged in a secure Place. In transacting this Business, you will consult Mr. Buchanan, and every Thing necessary for the Troops, or that he may think ought to remain, we wish may be complied with. We are &c.
Capt. Geo. P. Theports.
