195. Sir, We received your Letter of the 20<sup>th</sup> Instant and have sent you a Permission to return to New Providence which you will show to the naval Officer of the District of Baltimore and Mr. Hughes Commissary of Prisoners. We hope you will not meet with any Thing to delay your Departure any longer.  
Lieut. Master Esq<sup>r</sup>.

In Council, 23<sup>rd</sup> Feb. 1781.

196. Sir, We wrote to you on the 17<sup>th</sup> January respecting the Exchange of Cap<sup>t</sup> John Harrison and his Crew Prisoners at New York for Cap<sup>t</sup> Charles Whitehead and his Seamen taken in the Privateer Active and brought in here. Mr. Steward who applied for to the Assembly for the Release of Captain Harrison is here and anxious to have the former Order carried into Eff<sup>ct</sup>. We are at a loss to know what has prevented it and wish you to have recourse to our former on this Subject. We are of Opinion that it may expedite this Business if a Parole be granted to Cap<sup>t</sup> Whitehead and be permitted to go to New York upon an Engagement that he procure the Release of Cap<sup>t</sup> Harrison in his Stead, and such of Cap<sup>t</sup> Harrison's Crew against those of Whitehead and those mentioned in our letter of the 29<sup>th</sup> of January.  
Daniel Hughes Esq<sup>r</sup>.

197. Sir, We have received your Letter of the 22<sup>nd</sup> Feb. and as soon as any comes from the Collectors or by any other means, your Application for it shall be remembered, we hope for some speedy Supplies. Your Observations that you can now only purchase Beef that is slaughtered, and ~~the~~ <sup>the</sup> ~~relative~~ <sup>relative</sup> ~~thereto~~ <sup>thereto</sup>, have been considered. It is the Opinion of the Board that you purchase good Beef upon the Point you are not exceeding 400 Five Shillings per Hundred, but that you receive it with the ~~best~~ <sup>best</sup> ~~care~~ <sup>care</sup> ~~and~~ <sup>and</sup> ~~care~~ <sup>care</sup> ~~fully~~ <sup>fully</sup> ~~for~~ <sup>for</sup> the present Expenditure on ~~the~~ <sup>the</sup> ~~Point~~ <sup>Point</sup> ~~of~~ <sup>of</sup> the ~~Summer~~ <sup>Summer</sup>.
