

1781

Patuiseah and there apply to Patrick Son Smith Esq^r for some Salt Provisions belonging to the State, and take it on Board and then you will proceed to the Ropels in the James River loading with Tobacco by all Reg^r on account of the State bound to the Head of the Bay which you are to convey as far as this place; when you are to return with the Provisions, unless you think there is Danger from the Enemy, in such Case you are to convoy them until you think they are out of Danger.

Capt. Gilbert Muddleton.

In Council, 22^d June, 1781.

Sir, We were honored with yours of the 12th Instant, to assure that your very disagreeable Situation for want of Remittances from this State, has given us real Concern, and that it would give us considerable Relief to remove them immediately. We have delivered Philip Key Esq^r two hundred and 575. thirty Hogsheads of Tobacco to be immediately transported to Philadelphia, eighty Hogsheads of which are now at Fleet, from the Sales whereof you are to be supplied with Money. Mr. Key drew on Order on Mr. Holloman for fifty Pounds Specie to be delivered to you which we have imagine you have received. You may rely Gentlemen, that if our Abilities were equal to our Inclinations, you would not be left in such embarrassing Circumstances.

Delegates in Congress.

In Council, 22^d June, 1781.

Gentlemen, We have lately made many Contracts with the Individuals of the State, for Provision and military Stores, presuming that Means would have been provided by the General Assembly to enable us to comply with them; Some of these Contracts are in paper, others in Specie, and the rest in Specie to be paid in Tobacco or Flour at a price, to be ascertained by the Governor and Council, and the Party on Bills on the Havana. The articles have been delivered and the Party call on us to perform ^{our} part of the Contract; insisting and we believe very truly, that he has expended
