

In Council, 25th June, 1781.

Sir,

By the Act to raise two Battalions of Militia for the continental Army &c we are directed to appoint proper Persons in each County to receive and provide Quarters and Necessaries for such Recruits as may be raised in Virtue of the said Act and the same to forward to such Place as we may direct. We reposing great Confidence in your Integrity and Readiness to do every Thing for the common Cause, have appointed you to do the Duty required by the said Act in your County.

Circular to the Persons appointed to receive and provide for the Recruits under the Act of May Session 1.

In Council, 25th June, 1781.

Sir,

It is absolutely necessary that the Detachment of continental Troops now at this Place should be furnished with a regimental Medicine Chest before they can march, which we request you will immediately procure and have delivered to Col. Samuel Smith will transmit it to us.

Doct. Wisenthall.

In Council, 25th June, 1781.

Sir,

It is necessary the Officers of the Detachment which will march from this Place in a Day or two should be furnished with a Hogshead of West India rum, 1000^{lb} of Coffee, four Boxes of Spanish Sugar, one hundred Pounds of Bohea Tea and one thousand Pounds of Soap which you will procure immediately and forward with the Clothing and military Stores already collected to Fort Mifflin. You will also get twenty four Drums and Rifles eight of which must be immediately sent. We expect to receive the Boxes large of Sugar in a few Days and therefore wish you to borrow the quantity required which shall be replaced.

Col. Samuel Smith.
