927. Sir Complaint has been made to us by the Honble Charles Serrell, Barrister, that a Party of Soldiers encamped on his Land near Baltimore Town and destroyed a Number of Timber Trees and did him other Damage. We cannot suppose it was done under your Direction, or in any Manner connived at by you; but as every Act of Violence or Invasion of private Property, by the Military, ought to be enquired into, redressed and, in future, prevented, we desire you to inform us immediately, how this happened and what particular Damage has been committed.

928. Sir Many Applications have been made to the Board for the Hides of the Cattle slaughtered in Frederick Town. As we are unacquainted with the Value of them we have referred the Disposal of them to you. From the Number of Applications, we suppose they must be in great Demand, we would have you contract for Shoes in Exchange for the Hides. Mr John Roberts, the Dealer of this, has applied for the Hides and is strongly recommended by Mr Calhoun, Mr Good is also well recommended. We have not Time to answer your last Letter, but will do it by the next Opportunity.
Col^o Philip Thomas.

929. Sir The Dealer hereof, W^r Stephenson, has applied for a Quantity of raw Hides, for which he proposes to deliver Shoes in Exchange. He is very well recommended, and has a sufficient Quantity of Leather already tanned to make a thousand Pair of Shoes. It would be much more advantageous to the State to receive the Shoes at a short Period, we have therefore referred him to you, and must beg your will in this giving you so much Trouble.
