Gentlemen A Difference has arisen between the Governor and Council, in Behalf of the State, and Col^o Samuel Smith, on the Settlement of an Account for the Cheston of the Brig late, forced on Shore by the Enemy in Patuxent. With the consent of the said Col^o Smith, we have agreed to leave the Account to you to be settled, consonant to the Agreement and the Usage and Custom of Merchants. For this Purpose, you have enclosed the Agreement and the Protest made by the Captain. We shall be much obliged to you to undertake the Settlement of the Account, and to transmit us your Determination, with the Papers furnished you, as soon as possible.

963 Sir. We have received two Letters from you dated the 12th Instant. Col^o Harrison's Price for grinding W^m is more than we are empowered to give, the Law allows only 8th our Money per Bushel. If he will do it at that Rate, we would have you send the Wheat to him to be manufactured; we are willing to give him Price for the Barrels. You must not part with the red Money but as Specie, and if you cannot procure Barrels and Salt with the Money, we would have you dispose of as much Wheat or Flour as will furnish Barrels and Salt for the Port. You may receive for Taxes. You had better dispose of the Letter you received of W^m Schifer.
