There being no Probability of getting a Regular Guard for the Prisoners at Frederick Town, it will be necessary for you to continue to order out the Militia from your County, agreeable to our Directions of the 3. of Dec. last. We are informed by Major Bailey, that there are at Frederick Town only 75 Men from Baltimore County, and that he is obliged to make up the Deficiency from Frederick, an Inconvenience that no one County ought to be subject to.

There being no Provision made by the General Assembly, for a Commissary of Stores, and conceiving the Business of that Department to be under your Superintendence, we have to inform you that there is now a Quantity of public Cloathing in the Hands of Capt. Denny, delivered over to him by the late Commissary of Stores, and subject, by our Direction, to the Order of General Smallwood. We give you this Information that you may take Order in the Business, if you deem it necessary.
The Honble the Intendant
