By the enclosed you will perceive that we have appointed you one of the Commissioners under the Act entitled "An Act to dispose of the reserved lands westward of Fort Cumberland in Washington County, and to fulfil the engagements made by this State to the Officers and Soldiers of the Maryland line in the Service of the United States" — It is necessary that this business be entered on without delay — We therefore request that you and Major Brookes would agree on an early Day for repairing to Annapolis for the necessary papers, after which you will proceed to Washington where you will find Capt Cresap ready to join you — We are &c
