In Council March 24th 1789

Sir,

25. We shall be obliged to you to give us as full information as is in your power, of the claims of the persons who had patents for, or took up the narrow and Reserves to the westward of Fort Cumberland, as soon as possible, that we may lay a State of them before the Attorney General for his Opinion on them. We are Sir Sir

James Bruce Pres^t

John Callahan

In Council March 28th 1789

Sir,

26. We request you to deliver to Mr Fowler the Plot of the Lands westward of Fort Cumberland, returned by Mr Francis Deakins, for which we will be accountable. We are Sir

James Bruce Pres^t

John Callahan

In Council March 28th 1789.

Gentlemen,

27. In answer to your enquiry respecting the propriety of two of the Commissioners acting in the case of sickness or other accident, whereby the third may be incapable of giving his assistance, we give it as our advice that you proceed in that manner, although
