In Council December the 1st 1789

Sir

Being authorized by a resolution of the General Assembly, to furnish the secretary of the Treasury of the United States, with the documents required in ~~his~~ letter of the 26th September last, a copy of ~~it~~ which we sent you on the 23rd ult^o, we now request you to lay immediately before us, all the information your Office affords, towards the statements in question.

We are Sir,

Treasurer of the
Western Shore

John E. Howard

In Council Dec 5th 1789

Gentlemen

In addition to the communications made by the late Board to the House of Delegates, respecting the business entrusted to the Agents appointed to attend the sales of property taken in execution for the State, we have now the honour to lay before the General Assembly sundry papers, containing more compleat information on that subject. To wit, an account current between the State and Col. Hollingsworth, delivered in yesterday; and a letter from Mr. Kilty containing a narration of his conduct in the business committed to his execution; together with a statement of the situation in which it at present stands. We have the honour to be,
Yours truly,
J. Kilty, Treasurer
