

In Council April 15th 1790

Sir,

131 We request you to publish in your paper the two acts of Assembly which you will find in the Gazette herewith enclosed, printed in the English, German and French languages - and that you will arrange the publication so that they may appear six weeks in each of the languages.

In Council April 15th 1790

Gentlemen,

132 The acts of Assembly published in three languages in the paper herewith enclosed were sent to Baltimore for translation into French and German, and were directed to be first published there that the proof impression might be examined by persons skilled in those languages - we now request you to publish them in your paper so that they appear six weeks in each of the languages -

We are Gentlemen
Yours
J. Howard
