Sir, Colo Joshua Beall of Prince Georges
County has settled his accounts with the Auditor,
and there appears to be a balance due him
sufficient to discharge his debt to the State for
which fieri facias has issued against him. Not
conceiving ourselves authorized to give orders for a
Certificate to the amount of his claim, we wish
all further proceedings at law to be stopped till
the Legislature can take order thereon.

Attorney General

Sir,
We have received your letter of this date
and are of opinion as the Court is so near, that it
will be advisable to return a schedule of the
property taken early in the Court, upon which a
writ of Venditioni exponas may immediately
be issued, so that but little time will be lost.

Edw. Lloyd Wailer Esq.
Sherriff of
Prince Geo. County.
