We have to acknowledge the receipt of your letter of the 4th Instant by (Mr George) Johnson whose private affairs have required him to leave you. The Testimony you give of his merit and your good fortune in procuring the services of Mr Wright in his room, are circumstances that give us equal satisfaction.

The Object of this letter being only to signify our approbation and confirmation of Mr Wright's appointment on the same terms on which his predecessor was employed, we have only to add our reliance that the difficulties stated in your letter will be obviated as far as the greatest industry on your part can effect it.
