

In Council Decem<sup>r</sup> 29. 1791

Sir,

We had the honor of receiving your letter respecting the Bank Stock and the enumeration. That concerning the Stock was immediately laid before the Legislature and was referred by the house of Delegates to Mr. Chase the Agent of the Stock, who is to make his communications to you. Since we had the honor

19 5. of writing to you for the enumeration we have been furnished with it by the Marshall so that it will be unnecessary for you to transmit it if you have not already done it. We should sooner have acknowledged the receipt of your letter but we have been waiting for his Excellency the Governor to do it. We are sorry to inform you that he is now very ill in the Gout and that there is little probability of his being able for some time to do the duties of his office.

We are Sir
