In Council 15th June 1792

Sir,

32 The Board think themselves justified under the Resolution passed November Session 1790 in requesting you to liquidate all accounts presented to you for that purpose, tho' no account may be raised in the Books in your Office against the person claiming. We are Sir

The Auditor Genl.

Thos. Lee

In Council July 3rd 1792

Sir,

33 The Board have proposed contracting for the Carpenters Work to be done to the State House, until the 23rd Inst. not being acquainted with the Characters of all the applicants - You are not known to the Board, and we think it necessary to be informed of your Reputation as a Workman, and that you are a person proper to be entrusted with this Business, should we upon a Decision, be of Opinion, that you are entitled to the preference. We are Sir

William Gilmour.
