

In Council July 3. 1792

Sir,

From your report on Henry Sybell's  
 Petition that the Security is sufficient for the  
 debt, we cannot give him the relief he asks. But  
 we think his a hard case he having paid more  
 than the property was worth at the time of  
 34. the purchase and having that property considerably  
 damaged by fire we are of opinion that no  
 process ought to go forth for the Debt until  
 he can have an opportunity of applying to  
 the Legislature for relief - We are Sir

Randolph B. Latimer Esq  
 Agent Thos. Lee

 -ance of it - We are Sir
