

for this purpose have desired him to apply to
the Civil Magistrate to enable him so to do, if
he should find it necessary, - nothing but
the importance of the occasion ought to have induced
the Council to interfere in this business because, not-
withstanding the letters already forwarded to the
President through the Secretary of War - they have
not thought proper to notice the Executive in
their Communications; but look to your Excellency
as the only responsible person, -

As we may expect many similar occur-
-rences and our authority to act on them ^{is easy}
doubtful, it will be very agreeable to the Board,
if your situation is such as to admit of
your return to this place speedily -

We are Sir

James Bruce Presid^t

His Excellency
Governor Lee.

In Council August 21st 1793

Sir,

79. Governor Lee being out of the State, we
have taken into consideration your letter addressed to
him and giving information that the Brigantine
Magwell of Kircubright has been sent into the

Post
