Sir

112. I beg leave to lay before your Excellency, copies of a letter and depositions received yesterday from the British Vic-Consul residing at Baltimore - The Letter I have lately had the honour Sir, of addressing to you on similar occasions, made it unnecessary for me to explain my object in the present case - I have taken the same provisional step with regard to the vessel mentioned in the depositions herewith enclosed, as was adopted respecting the Brigantine Lunningham, and although I have not heard from the french Vic Consul, I have no doubt of his paying due attention to my requisitions -

I have the honour to

His Excellency
The President of the
United States -

Thos. S. Lee
