Chief of the
Board of Maryland

Annapolis August 28th 1794.

Sir
In pursuance of an Act of the General Assembly of this
State entitled an Act to appoint a Health Officer for the port of Baltimore
in Baltimore County passed at November Session seventeen hundred and
ninety three and assented to by an Act of Congress passed at their last
Session entitled an Act securing the consent of Congress to an Act of the
State of Maryland passed the twenty eighth of December one thousand
seven hundred and ninety three in the appointment of a Health Officer.
You are authorized to collect a duty of one cent on all Sea Vessels
coming into Baltimore District according to the directions of the
above recited Acts. It is understood by the Board Sir that you
will be entitled to receive a compensation for your trouble equal to
that received by you of the Commissioners of Baltimore Town for similar
services.

Sir
You will perceive by the enclosed Copy of a letter from
The Secretary of the Treasury that the President has formed the Resolution
of causing all such French Privateers as on account of their having been
fitted out in our Ports have been heretofore provisionally denied Asylum
within the United States and have since the publication of his Instructions
to refuse them such Asylum been in a port of the United States so as to have
an opportunity of acquiring a knowledge of the Instruction to be dismantled
of their Military equipments if hereafter found in any Port or District of the
Union. As it will be impossible for me as Commander in Chief of the
Militia in which capacity I am called upon to co operate in carrying
his determination into effect to act personally on the occasions that
may present themselves in different parts of the State, I have to request
that as Brigadier General of Militia you will take upon yourself
