Laws before alluded to in securing and enforcing the payment
of the said duty.

We beg leave also to point out to you the request of
our General Assembly contained in the 8th Section of the enclosed Act,
and to solicit as speedy and effectual a compliance as possible
both with their requisition and ours as the Establishments to which
they have reference cannot with propriety be longer delayed.

The Honble
Alexander Hamilton Esq^r
Secretary Treasury

We have the Honor to be
with respectful Consideration
Sir, your most Obe^t Serv^t
Thos S. Lee

Annapolis September 8th 1794

Sir

By the enclosed orders you will perceive that
your Services are desired under the requisition made by the
President of the United States. It is hoped that you will not
decline acting on this emergency as exclusive of your being selected
as among the best qualified of your rank the loss of time consequent
upon new appointments might be inconvenient and injurious to
the Service. If however you cannot resolve to accept this appointment
you will please to inform me so without any delay.

I am &c

Circular To the Field Officers appointed
(without application for the Service against
the Insurgents.

Thos S. Lee

Annapolis September 8th 1794

Sir

I have appointed you Surgeon to one of the Regiments
raised from the Militia of this State under the late requisition
of the President of the United States and take the earliest opportunity
of notifying you of it.

I am &c

M^r Daniel Sullivan
Dorchester County
