General Smith being in Congress, and General Swan being
absent to the Westward, I have to request that you will
write to them and to the other General and Field officers
of your Division expressing my solicitude that they will
instantly attend to the Return and Drafts of the
militia.

It would give me pleasure to hear from you and them
in writing as soon as it is convenient.

Sir,

The Council have given orders to the armorer at
Frederick Town to forward to your care ten Barrells
of Powder.

The Board will thank you to receive it, and send
it on to Annapolis by the first Packett. The expence
of conveying it to Baltimore we will be obliged to you
to discharge, and the Money shall be immediately
discharged.

In Council July 24. 1798

Sir,

We received your Letter by Captain ^{James} Nicholson
and have appointed Mr. Seth Betton an Ensign in
his Company, and also Captain James Clayland a
Major in the 38th Regiment in the room of Major Emory.
The resignation of Major Emory has never been
notified to the Adjutant General's office, but from
a knowledge which some members of the Council
had of his actual resignation, we have dispensed with
