In Council April 12

Sir,

We are informed that James Daugherty whom you took in your custody on the second day of October last in consequence of a writ which issued from us on the seventh day of October has never been sent for by the Governor of Pennsylvania. As six months have elapsed since he was taken, we have to request that you will discharge him from confinement immediately upon the receipt of this.

The Sheriff of
Montgomery County

In Council May 24 1799

Sir

Your Commission as Brigadier General of the Militia comprehended in the four upper Regiments of Frederick has been presented to us. We hope that on further consideration you will not adhere to your former resolution to resign - and under that expectation, we have thought proper to return you your Commission.

We are &
