

Council Chamber Antwerp Aug 20. 1849

Dear Sir

Enclosed you will receive thirteen pay rolls  
of the 49 Regiment, numbered to suit the acct.  
in your possession; you will be pleased to  
file them with those that I have  
already forwarded to you; they are  
ouchers that may probably be wanted  
to be placed on file in this department.

I have not been able to get the Pay  
Rolls from the Pay Master, of the 36<sup>th</sup>  
and 48<sup>th</sup> Regiments. They are the only  
ones I believe that are wanted to

complete the whole number of the  
as they show. I am sorry to trouble one

who is always so ready to oblige, but I  
should like to be informed of the progress that  
made in the execution of the Mayland

aim and when it will likely be finished or brought  
to a close. I have the honor to be with great  
respect  
Your obedient servant  
J. P. Clerk of the Council
