

Council Chamber Annapolis Oct 15th 1819

My Dear Sir

I wrote to the Governor by Bishop Kemp on Wednesday last, that I had notified the Gentlemen of the Council to meet on the 25th Inst. I have received a letter from him written before he could have received mine, informing me that he would be over on Monday. The information contained in my letter may cause him to change his present plan. Should he come however on Monday I will not fail to inform you of his arrival by the Steam Boat.

I am
Yours
N. P. King

Col. Geo. Howard
