which his Excellency the Governor received from you
with respect to James Cummings, alias Jacob
Carman, he directed Judge Shriver to take the
depositions of Jacob & David Stonifer. ~~The~~

to this department by the Judge, but the
Executive are of opinion on an examination
of them, that the charge alleged against
Cummings, alias Carman, does not
amount to more than a breach of
the law, and have determined not to
demand him of the Executive of
our State. Under these circum-
stances it would be proper, that
Cummings, alias Carman should
be discharged from confinement
