

Council Chamber Annapolis. Oct 27 1844

The recommendation of the Directors of the Penitentiary in favor of Joseph Perry, Joshua
aton and George Russell confined in the
Penitentiary has been received by this depart-
ment. It is necessary before the Governor will
act on these cases, for him to receive
a manuscript of the Proceedings of the Court
in each case. The Practice of recommending
several Persons on the same sheet of paper
interferes with the arrangement of my
papers. It will therefore be
an accommodation to me if the Directors
in future recommend each person
on a separate sheet of paper. I can
then file each application in its
proper Bundle.

Yours respectfully
Ninian Pinkney

Director of the Penitentiary
