

Council Chamber Annapolis Dec 21 1817

Dear Sir

It is thought to be important by his Excellency
the Governor, and the honorable James Kalk, Grafton
Small and John Stephen, who are now attending at the
Seat of Government, to send an Express to you for the
purpose of requesting your attendance in Council
with all possible dispatch. Knowing the alacrity
with which you attended to your official concerns
on former occasions, I deem it unnecessary to say
more than that I am as usual

Yours &c

M. Pinkney

The Honorable

James Puseker
