

Council Chamber Annapolis Feb. 26. 1820

Dear Sir

The Pay Rolls as noted below are required by the General Government before they will reimburse the State for what she paid on that account - If you could furnish me with the Originals, or if not agreeable to you to do that probably copies of them certified by you would do. It will at any rate show that I have done every thing in my power to obtain the best evidence to support the claim of the State - The vouchers for the money that was paid to you in Feb last by direction of the Legislature, are not deemed sufficient. If you could procure more perfect ones it would be desirable.
