

Council Chamber Annapolis Feb 23rd 1820

My Dear Sir

I have received a letter from Major Thomas
May, in which he expresses great mortification in
being put second in the Commission of the Levy Court
in your County and requesting me to account for the
occurrence. Hoping that you can explain the
affair to him much better than I have done should
you deem it to be necessary. I have sent you a copy of
my letter to him to apprise you of the circumstance
and what I have said. The 3rd Monday in March has
been set apart for the next meeting of the Council, and you
are hereby respectfully invited to attend on that day
With respect and esteem
Your Friend and Servant

The Hon

James Bulcher
