

Council Chamber Annapolis

March 7th 1820

Dear Sir

Enclosed you will receive several papers belonging to the Maryland claim. The orders on the Treasury for the amount of the accounts for expenses incurred by the Draughted militia, will together with the orders which I forwarded to you yesterday, authenticate the account so far as to shew that all the money charged in the abstract has been paid by the State.

The reasons assigned by you in yours of the 3rd Inst. for not sending the accounts which I wrote for are perfectly satisfactory. Indeed I do not know that I could make them more perfect than they are.

Yours

Most respectfully

Minim. Pinkney

Peter Wagner Esq.
