

Dear 11.15.20

ii

The Executive have appointed you to
over the laws and votes and Proceedings
to several County Court Clerks on the
15th. I hope the laws will be ready for
lawy in the course of next week.
There must be no delay in forwarding
the laws after they are ready, of which
I will give you notice. You are
allowed \$200. Let me hear from
you by the Steam Boat on Monday.
The votes & Proceedings will not be
ready until some time in May
(June), of course you will have to
send the laws and votes and Proceed-
ings at different periods.

Yours respectfully

Wm Lumber & Clayland.
