

Council Chamber Amabilis

Dear Sir

(March) 14th 1890

A Resolution was passed by the General Assembly at its last session, authorising the Treasurer under the direction of the Governor and Council on certain events happening, to discharge certain Bank loans made in 1817 and 1818. The Governor and Council will meet on Monday next and you will oblige me by stating whether the situation of the Treasury will enable you to pay the debts above alluded to, should the Executive think proper to advise such a measure

Yours

Minim Pinkney

The Treasurer of the Western Shore
