

Council Chambers Annapolis March
17-1820

The Law of the Eastern Shore will be
delivered to any person that you may direct to
receive them - I have sent you a receipt which
it is necessary I should have before the Laws
can be delivered - I hope you will forward
them as soon as possible, and by so doing
place it out of the power of any person to complain
on account of delay & you must furnish
me with the receipts of the different Clerks, that
the Laws & votes & proceedings have been received
before you can get the sum the Executive have
allowed you.

Yours &c
Dixian Pinkney

Dr Lambert Playland
