

April 3rd 1820.

I have the pleasure to inform
that the governor of this State
authorised to send a present to the
Academy of Natural Sciences in Philadelphia
of the Journal of Marye and They
and several large volumes and
and not be replaced should any
accident happen to cause them
miscarry for less than \$70.00
and against accident then as
far as possible it is desirable
to select the most safe mode of
conveyance for them. Will you be
kind ~~to~~ to point out a my person
in Baltimore or in the city of
Washington to whose care you
would wish them to be left
I have the honor to be
