

April 3rd 1820.

Gentlemen

By a Resolution of the General Assembly of this State. His Excellency the Governor is directed to forward a copy of the laws of all any parts lately compiled by the Chancellor Kilty, Harris, & Watkins, of the Executive, of the several parts. They make four volumes octavo. If you suggest any safe mode of conveyance by which the copy intended for the State of Rhode Island can be forwarded - when received the State of Rhode Island will be in possession of a complete set of the laws of Maryland. Excuse the liberty which I have taken, I believe me to be with the highest respect your obedient servant.
